ΑΙΤΗΜΑ ΕΝΔΙΑΦΕΡΟΜΕΝΟΥ

Hello,

We ask if possible for your help in finding a possible contact in Greece, but first, if I may, a few words about our activities and possible wishes:

We deal with the import and wholesale of vegetables in the Estonian retail business. As we want to expand our activities, we are looking for potential partners in Greece, namely:

1. Fresh cucumber and tomato growers.

We would be very grateful for possible recommendations and contacts.

Sincerely, Tiit Tumma
