Now in its fourth edition, **Dubai FinTech Summit (DFS)** is held under the patronage of **H.H. Sheikh Maktoum bin Mohammed bin Rashid Al Maktoum**, First Deputy Ruler of Dubai, Deputy Prime Minister and Minister of Finance of the UAE.

Organised by **Dubai International Financial Centre (DIFC)**, it is the flagship event of **Dubai Future Finance Week** and recognised among the world's most influential gatherings for financial leaders.

“Dubai FinTech Summit reflects the vision of **His Highness Sheikh Mohammed bin Rashid Al Maktoum** of establishing **Dubai** as a **global financial powerhouse**.”

DFS brings together the decision-makers that move global finance forward.

DFS Dialogues

What sets DFS apart

Access to authority

- 50+ regulators and policy leaders shaping the future of finance
- Direct exposure to banking executives, investors, and innovators

Global scale, local relevance

- 10,000+ delegates from 120+ countries
- A unique convergence of global perspectives and regional expertise

Experiences that inspire

- Landmark MoU ceremonies and industry shaping announcements
- Exhibition floor with 200+ innovators driving transformation

Value beyond the summit

- Post event content library for continued learning (Conference, VIP, Investor)
- Ignyte membership unlocking year-round engagement (VIP & Investor)

Who will you meet

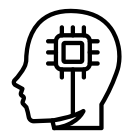

Global FinTech leaders and innovators

- Founders & CEOs of FinTech scale-ups and startups
- Product and innovation leads driving new solutions
- Venture-backed disruptors in payments, lending, and digital banking

Financial institutions and industry practitioners

- Senior executives from banks, insurers, and asset managers
- Heads of digital transformation, payments, and customer experience
- Risk, compliance, and treasury professionals shaping operational resilience

Technology and data experts

- AI, blockchain, and cloud specialists
- Data scientists and analytics leaders
- Cybersecurity and digital identity professionals

Investors and capital providers

- Venture capital and private equity partners
- Family offices and sovereign wealth fund representatives
- Angel investors and FinTech syndicate leaders

Policymakers and regulators

- Central bank and financial authority representatives
- Leaders from innovation offices and regulatory sandboxes
- Data protection and digital economy officials

Ecosystem builders and partners

- Strategic alliance and partnership directors
- Merchant services and acceptance leaders
- Developer relations and FinTech community organisers

Thought leaders and media

- Influential academics and researchers in finance and technology
- Industry analysts and consultants
- Global media covering FinTech, digital economy, and innovation

Pillars

1

Future-proofing finance

Payments, cross-border corridors & embedded finance

Seamless global money movement

4

AI, data & decisioning

Intelligence powering financial choices

5

Private capital & WealthTech

Next-generation wealth strategies

6

Sustainability & ESG finance

Finance driving positive impact

7

Insurance & risk

Innovating protection for tomorrow

8

Start-up & investor marketplace

Connecting capital with innovation

In their words....

The experience was phenomenal... there are a lot of innovative ideas and collaborations

Mahmoud Abuebeid
CEO & Co-Founder

It's bringing together people from traditional finance, future finance, regulators, banks, legal, government, and it's not just Dubai or the UAE or the region, it's global...

William Bao Bean
Managing Director

The quality of the FinTech professionals here make it very relevant of all of us.

Haisam Jamal
CEO

I was bowled by the professionalism and clientele that attends DFS...you get just the right people to interact and have conversations with.

Saurabh Ranjan
Regional Director

You actually get to know the latest and the greatest in the technology related to the financial industry and also you get to meet the smartest and the brightest in the field as well.

Tariq Ahmed
Chief Business Officer

It's a true FinTech event...with all the latest financial services and technologies available. It's the place to be if you're working in financial services or technology.

Yehia Hamdy
Financial Analyst

Sandy
Founder and Chief Compliance Officer

It's very well put-up... the energy is amazing

We're really happy being here...its brilliant... bringing all these people together...it's fantastic...we love it.

Tarek Elshabrawy
CFO and Deputy CEO

It is one of the largest (FinTech events) in the region...the quality is superb...the crowd is amazing...in one word, it's premium.

Sheryar A. Khan
Head of Marketing & Communications

You find all the technologies on one platform. All the key FinTech leaders were under the same roof, which is fantastic.

M. Ramiz Iqbal
Founder & CEO

Why attend

Knowledge

Learn from global leaders across plenary and innovation stages.

Connection

Build relationships via lounges, receptions, and mobile app matchmaking.

Opportunities

Explore the exhibition, witness MoUs, and see the FinTech World Cup live.

Credibility

Be part of a summit backed by regulators, banks, and global institutions.

Shaping tomorrow's finance, today.
